Overall Strength and/or Weaknesses

Disclaimer: Comments on the strengths and/or weaknesses of each book, material or program were written by members of the State Textbook/Instructional Materials Review Team and reflect their opinions. They do not reflect the opinions of the State Textbook Commission nor the Kentucky Department of Education. In addition, the State Textbook/Instructional Materials Review Team completed each evaluation form during summer of 2005. In order to maintain the integrity of the review team's comments, editing was limited to spelling and punctuation.

Recommendations: **This is a great literature textbook for English-language learners. Simplified vocabulary will help ESL kids enjoy some of the same stories that appear in other literature anthologies. The appearance is very similar to other students' literature texts so there is no stigma to carrying this book. In addition, students using this textbook will use the same kinds of graphic organizers and literary terms as their schoolmates. This is an engaging, user-friendly textbook with a nice blend of selections that will challenge and entertain new English readers while giving them the same literature education as non-LEP students.**
