Content Each unit begins with student learning objectives for the student to have mastered upon completion of the unit to ensure the student has an understanding of chapter concepts. Workplace communication features integrate the use and importance of grammar and communication skills in the workplace. New design for improved readability and professionally illustrated cartoons as humorous illustrations of concepts. Spelling and vocabulary reference appendix is useful as an instructional device in class or for student reference.

Student Experiences Student CD included in book provides additional self-paced applications to reinforce chapter concepts. Individual and cumulative practice and self-check activities to ensure student comprehension of subject matter.

Assessment This product is designed for those who demonstrate a need for beginning level English skills in grammar, punctuation, spelling, and basic writing. This text is normally used in courses that do not count towards graduation requirements, but is a pre-requisite for required English courses. Examples of course titles include Developmental English and Fundamentals of English. This popular text takes a unique and time-proven approach to understanding the Fundamentals of English. Through logically organized concepts, short explanations, and an abundance of skill practice, users will gain confidence and skill in all English areas. This user-friendly edition motivates with activities that promote attention to detail, methods for remembering specific grammar rules and activities that can be completed using technology.

WRITING CONTENT

[very strong on grammar and usage](#)

[This book is a grammar and punctuation guide more than a writing process book. If you need grammar and part-of-speech worksheets and handouts, this would be helpful. It does include a teacher handbook with a key.](#)
