Agenda Item: Approval of revision to the Kentucky Tech Policies and Procedures 09.36 (Area Technology Center School Related Student Trips)

Presenters: David Horseman, Associate Commissioner, Office of Career and Technical Education, Kentucky Department of Education; Beth Hargis, Division Director, Office of Career and Technical Education, Kentucky Department of Education

Summary of Discussion: Horseman introduced Hargis to provide an overview of the proposed revision to regulation on Kentucky Tech Policy 09.36. The revision requires a parent signature and contact information on the student permission form, as well as more information related to details of student trip.

Action Taken: The motion passed unanimously by a roll call vote.

Follow-up Required: None

Agenda Item: Modification of 702 KAR 1:140

Presenters: Todd Allen, General Counsel, Office of Legal Services, Kentucky Department of Education; Felicia NuMan, Staff Attorney, Office of Legal Services, Kentucky Department of Education

Summary of Discussion: Allen and Nu'Man provided an overview of the proposed amendment to 702 KAR 1:140. 702 KAR 1:140 is a regulation that deals with the request of a parent or eligible student to modify the student's educational record. A school district raised the issue that the language in the regulation was confusing regarding the hearing procedure. The amendment modification will align better with the Kentucky statute; the result is to modify the confusing language.

Action Taken: The motion passed unanimously by a roll call vote.

Follow-up Required: None.
