Agenda Item: OSEEL Updates

Presenter: Gretta Hylton, Ed. D., Associate Commissioner, Office of Special Education and Early Learning

Summary of Discussion:

Mission: Improving outcomes for diverse learners through support, TA and guidance. Eight “North Star” Priorities: Stakeholder engagement, preschool-to-kindergarten transition, effective instruction, effective discipline, access, parent/family engagement, recruitment and retention, improved outcomes.

Organizational Structure:

Five divisions: IDEA Implementation and Preschool (DIIP), IDEA Monitoring and Results (DIMR), State Schools (KSB and KSD), Early Learning Unit, Transition Education Unit (TEU). Hylton celebrated Kentucky earning “Meets Requirements” (highest rating) from USDOE for the 16th consecutive year.

State Performance Plan / Annual Performance Report (SPP/APR) Update:

Lauren Thieneman, OSEEL SPP/APR Coordinator:

SPP: Long-term goals across 18 IDEA indicators. Indicators split into compliance (0% or 100% targets) and results (stakeholder-set targets). Data uses: Compliance monitoring, Risk assessment, Stakeholder feedback. The state’s current strengths: High graduation (Indicator 1), Low dropout (Indicator 2), High levels of inclusion (Indicator 5), Post-school success (Indicator 14).

State Systemic Improvement Plan (SSIP / Indicator 17) – Proposed Changes:

Veronica Sullivan, Director-Division of IDEA Implementation and Preschool (DIIP):

The state’s current goal is a focus on mathematics improvement, grade 8 target. Includes PD, coaching, TA at elementary + middle levels. PBIS added later due to behavioral needs.

Proposed Change: Add Reading as an official focus area, stakeholder feedback supports expansion. Must be approved by OSEP. Members asked why reading was not originally included. Sullivan explained the initial focus on math was due to a need for narrow scope.

State Personnel Development Grant (SPDG) / KY Transition 360:

Allison Johnson, Assistant Program Administrator:

A five-year grant focused on transition programming for students with disabilities aligns with United We Learn. The goal is to improve educator capacity across five priority areas: Policy, Collaborative systems, Transition planning, Career development, Student skills (“adulthood” skills). The program incorporates 424 participants, 74 districts/ATCs, representing 10+ job roles; only one-third are special educators.

The plan follows a three-tier model: Tier 1: Asynchronous learning (foundational knowledge), Tier 2: Supported implementation and coaching, Tier 3: Communities of practice (rolling out next summer).
