

Kentucky UNITED WE LEARN COUNCIL

“MOONSHOT” - COUNCIL VISION

“To build a prosperous Kentucky, we will launch an accountability system that is meaningful and useful to all our learners.”

PURPOSE

The Kentucky United We Learn Council was established as a body that recommends new policy and practice or changes to existing policy or practice. The council strives to design structures and systems that are consistent with its purpose of supporting inclusive state and local co-creation and facilitating local ownership of solutions that will support the three big ideas of United We Learn. The council partners with the Kentucky Department of Education (KDE) and the Kentucky Board of Education (KBE) to advance the work laid out in the United We Learn report.
