*Purpose: As a body that recommends new policy and practice or recommends changes to existing policy and practice, the Kentucky United We Learn Council is establishing structures and systems that are consistent with its purpose of supporting inclusive state and local co-creation and facilitating local ownership of solutions that will support the three big ideas of United We Learn. The council coordinates committees that meet regularly to advance work on their key missions and deliverables. The council partners with the Kentucky Department of Education (KDE) and the Kentucky Board of Education (KBE) to advance the work laid out in the United We Learn report.*
