NWEA Measures of Academic Progress (MAP) Growth Diagnostic Suite: Mathematics

Diagnostic

Variable	Details
Description	MAP Growth diagnostic assessment suite includes the MAP Growth Early Numeracy Screening Test and MAP Growth Skills Checklists. The Early Numeracy Screening test is a 35-item adaptive test of foundational skills. MAP Growth Checklists are brief tests of discrete math skills and report performance as the percentage of items answered correctly.
Assessment Type	Early Numeracy Screening Test: Adaptive assessment Skills Checklists: Mastery-based measures
Cost	$10 Single Subject or $14.50 for both Math/Reading
Frequency	MAP Growth Early Numeracy Screening Test: 1x year. MAP Growth Checklists as frequently as needed.
Length	20 – 45 minutes
Delivery Method	Online
Languages Available	Early Numeracy Screening: English/Spanish. Checklists: English only.
Norms Available	Criterion-referenced
Benchmarks Available	Three color-coded performance levels available: High/Medium/Low based on percentage correct by skill and subskill.
Classification Accuracy	MAP Growth Universal Screener: Meets or Exceeds KDE Criteria of area under curve .7. Checklists are approved with reservation as evidence is not provided for the individual checklists. (K-3)
Validity	MAP Growth Universal Screener: Meets or Exceeds KDE Criteria of .7. MAP Growth Checklists are approved with reservation as evidence is not provided for the individual checklists. (K-3)
Reliability	MAP Growth Universal Screener: Meets or Exceeds KDE Criteria of .6. MAP Growth Checklists are approved with reservation as evidence is not provided for the individual checklists. (K-3)
Technical Information	MAP Growth Tests Summary of Technical Information and MAP Growth Technical Report
Skills Assessed	Screening Test Early Numeracy: Counting, Matching, Identifying Numerals and Computation with Manipulatives Checklists: Number Sense and Computation Skills
Professional Development/Training	Annual fee ($1,000) foundations subscription provides on-demand eLearning. Live PL workshops virtually or onsite start a $630/session.
