

Grades 4-5: Multiplication Card Game

Instructions

1. Set the deck face down in the middle of the table.
2. Each player takes two cards and multiplies the numbers on the cards.
3. All players then say the product (the result of the multiplication) out loud.
4. The player with the largest product wins.
5. The winner takes all the cards.
6. If a player gives the wrong product, he/she loses the hand.
7. If the products are the same, the cards stay on the table and the players do another round.
8. The game is over when all the cards are used. The player with the most cards wins.

Players: Two to four players.

Goal:
Have the greater product of the two cards.

Family Prompts

As you read the instructions and play the game:

- Shuffle the cards.
- If your children get stuck on a multiplication, give them some time and tools like the multiplication table to find the right product.
