

# Tests of Dyslexia

Variable	Details
<b>Description</b>	The Tests of Dyslexia (TOD) consists of rating scales and three sets of direct assessments: TOD-Screener, TOD-Early, and TOD-Comprehensive. Together, the tests can help you create a profile of reading, spelling, and linguistic abilities to identify and plan interventions for students who have characteristics consistent with dyslexia.
<b>Assessment Type</b>	Dyslexia Screener
<b>Cost</b>	Pricing varies based on number of students and staff using the assessment and the parts utilized. The following are kit costs: TOD-Combination Kit (Grades K-12) \$1225; TOD-Screener Kit Online or Print (Grades K-12) \$435; TOD-Early Kit (Grades K-2) \$645; TOD-Comprehensive Kit (Grades K-12) \$895.
<b>Frequency</b>	As needed
<b>Length</b>	TOD-Screener: 10 to 15 minutes; TOD-E and TOD-C: 5 to 10 minutes per test.
<b>Delivery Method</b>	Online and paper
