School-based Decision Making

SAAR Minority Report

KENTUCKY DEPARTMENT OF EDUCATION

Schools having eight percent (8%) or greater minority membership in their student population based on the Superintendent's Annual Attendance Report (SAAR) are required to have minority membership on their school-based decision making (SBDM) council (KRS 160.345(2)(b)(2)). The purpose of this resource is to help schools determine whether a minority member is required. The data reflected in this report is based on the Superintendent's Annual Attendance Report.

The percentages of the minority population at each school are calculated and included in the last column.

1. Those schools having eight percent (8%) or more minority student population are highlighted in yellow and are identified by the * symbol.
2. Schools that are highlighted in green and identified by the ∞ symbol are those Comprehensive Support and Improvement (CSI) schools identified in 2022-23 or have been previously identified and exited CSI status that do not have an SBDM but do have an Advisory Leadership Team (ALT) and have eight percent (8%) or more minority student population. Those schools also must have at least one minority representative on the ALT.
