

# SBDM Online Training Options

Kentucky Educational Television (KET) offers two online training options that allow both new and experienced members to learn at their own rate within each training session. Both courses can be purchased on the [KET Education Shop](#) by schools for their SBDM members.

## **SBDM 101**

**Cost \$95**

This facilitated course fulfills the six-hour training requirement for new SBDM members. Council members work at their own pace to complete the course, the facilitator reviews coursework and issues a certificate at the end of the course once all course criteria are met. Registration for the course is open during the year on the following schedule:

Winter: January 1 – March 21

Summer: July 1 – September 20

Spring: April 1 – June 21

Fall: October 1 –

December 21

## **SBDM Bylaws and Policies**

**Cost \$40**

This three-hour course parallels the in-person training developed by Kentucky Department of Education but allows learners to complete the coursework at their own pace. Council members learn to differentiate between bylaws and policies, the characteristics of each, and how they enhance student achievement. The course contains lessons, assessments, reflections, and questions; a certificate is issued once all course criteria are met. This course term is from July 1 – June 30 each school year.
