## CRITERIA FOR ~~ENROLLMENT~~ADMISSION

All non-resident students wishing to re-enroll for the coming school year must submit an application by June 30. Admission of each non-resident student must be approved annually by the Board and will be considered at the regular July meeting. The following criteria will be used to evaluate each application:

1. Classes or grades affected must be within class size restrictions. A reasonable margin must be maintained for possible resident new enrollment
2. Students must have and maintain a cumulative 2.5 grade point average on a 4.0 scale. Students must be age-appropriate for the grade in which they are enrolling. Students who have been retained more than one time shall not be considered.
3. Students must have at least a 95% attendance rate for the previous school year and must maintain that rate.
4. Applicants shall not be accepted who have experienced discipline problems. Re-enrollment decisions shall be based partly on the recommendation of the Principal, however, suspension or expulsion shall automatically be grounds for denial of enrollment. New applicants shall be required to present a recommendation from their previous school. Students who have expelled from their previous school shall automatically be denied enrollment.
