## Data Standard Early Learning Prior Settings

Rev. 4/26/2023

**Address:** This is the address of the early learning facility. The address will populate once the name has been selected.

**License:** The license number will populate once the name has been selected. The license number for child care is the license number or certified number provided by the Division of Regulated Child Care. The license number for state funded preschool is the state issued district/school code.

**Start Date:** Enter the student's start date at the early learning facility. This date is provided by the parent. If the date is unknown, enter the date one year prior to the first instructional day of the academic year.

**End Date:** If applicable, please enter the date the child last received services from the early learning facility. If the date is unknown, the field may be left blank.

**Comments:** This field is for the district/school to make additional comments.

**\*\*Please note:** Districts are required to collect early learning prior settings on students for the 12 months prior to entering kindergarten. This process must be completed with each early learning facility the family reports to the school. A child may have attended multiple early learning facilities and each setting must be entered separately.
