

Infinite Campus: Numeracy Universal Screener

Quick Reference Card

Release date: 12/11/2025

Updated: 6/10/2026

Custom Report: Numeracy Universal Screener – The purpose of this report is to provide numeracy universal screener data for school, district and the state level educators and Mathematics Achievement Fund (MAF) grant administrators. This data will help monitor uploading of assessment data for MAF schools, which is a requirement of the MAF grant.

Selection Criteria: The Infinite Campus Toolbar will control the school(s) and year for which the report will generate. A specific year must be selected - All Years is not a valid selection.

KDE Contact: Tania Arnett, Office of Teaching and Learning. For MAF Schools, [Erin Chavez](#), Office of Teaching and Learning

Tool Search: Numeracy Universal Screener

NOTE: Users must be granted access by local KSIS administrator before they see this report.

Report criteria and output information: There are 2 options to run the report – **MAF Students Screener Detail** and **All Students Screener Detail**. The output of both reports is the same and will include School Year, District Number, District Name, School Number, School Name, School Code, Grade Level, SSID, Student Last Name, Student First Name, Fall, Winter, and Spring Score Data, Comments, and Report Run Date.

MAF Students Screener Detail will display only the students enrolled in MAF schools and their Universal Screener data. Data will populate if scores are available; otherwise, score data will be blank. This report assists with monitoring completion of requirements for the MAF grant.

All Students Screener Detail will include all students from all schools (MAF / non-MAF). The All Students Screener Detail only displays students with Universal Screener data available.

Report Sample: The detail report will generate in CSV format.
