

# Infinite Campus: Student Performance Monitoring Report

## Quick Reference Card

Release date: 1/14/2021

Updated date: 2/14/2025

**Student Performance Monitoring Report:** The purpose of this report is to assist schools with monitoring of student progress in any school, specifically those identified needing support and improvement. **This report is intended for internal use only, these reports contain sensitive data and must be handled appropriately.**

**Selection Criteria:** Utilize the Campus toolbar to select the year, school, calendar for the report. The detail report will generate a list of students enrolled in the school or district selected during the date range selected in the toolbar or entered on the landing page. If no dates are entered, the school year selected in the toolbar will be used. A specific year must be selected - All Years is not a valid selection.

**KDE Contact:** [Windy Spalding](#), Office of Continuous Improvement and Support

**Tool Search:** Student Performance Monitoring Report

*NOTE: Appropriate access must be granted to this report by the district KSIS administrator.*

**Report Sample:** The report will be generated in Excel format. Each row provides data for each student enrolled based on selection criteria. The data output includes student demographics, inclusion in student groups, counts of behavior incidents, attendance data, chronic absent indication and early warning scores.

School Year	District Number	District Name	School Number	School Name	First Name	Last Name	SSID	Grade	Gender	Race/Ethnicity	Student with Disability (IEP)	Program 504	Economically Disadvantaged (ED)	English Learner (EL)	Foster Care	Homeless	Gifted/Talented

### **Suggested Report Uses**

- Examine changing student data throughout the school year to stay in-touch with the needs of the school population.
- Filter report to examine disparities between gender and race/ethnicity groups.
- Analyze meaningful metrics of school health, including attendance, behavior, and student outcomes.
- Track intermittent changes to early warning scores.
- Observe changes in the relationships between variables to find early evidence of successful program implementation.
- Filter on the Chronic Absent (FTE) column equal to Yes to provide focused support to these students.
- Filter on the On Track to Graduate column equal to No to provide focused support to these students.
