Subject: KSIS Alert: Release of KDE Report Changes Delayed until November 14

KSIS Contacts,

Due to an oversight, the KDE report changes were not included in the Campus.2543 release deployed last night.

To address this, the deployment of the KDE report changes is now scheduled for **Friday, November 14, at 6:00 p.m. (Central) / 7:00 p.m. (Eastern)**. Please note that Infinite Campus will be temporarily unavailable during this update window.

If you have any questions or concerns about the update schedule, feel free to contact **Lisa Keeter** or **DeDe Conner**.

Thank you for your understanding, and I apologize for any inconvenience.
