KSIS Contact,

Please be advised that an emergency Rx release of **Campus-2611.14** is planned for **Wednesday, April 22, at 6:00 p.m., (Central)/ 7:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

This emergency update is needed to correct an issue that has been reported by many districts.

Flags Marked as "Statemanaged" in Database Erroring When Assigned To Student (SIS-198247)

State Edition customers reported that assigning students flags marked as "Statemanaged=YES" in the database returned the error "the credit group for this state program must be properly mapped prior to assigning to students". This error was occurring at both the State and District level. This has been resolved.

Please share this information with individuals in your district or office as appropriate.

Thank you!
