Subject: KSIS Notification: Emergency RX Release of Campus.2335.13 Scheduled for TODAY, September 21

KSIS Contact,

Please be advised that an emergency Rx release of **Campus.2235.13** is scheduled for **Thursday, September 21, at 7:00 p.m., (Central)/ 8:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

The emergency update is needed to correct issues with assessment publishing and modifying dates on the IEP.

Assessment Publishing Updated (SIS-172875)

Attempts at publishing assessments either took a significant amount of time or resulted in errors. This issue has been resolved. State Edition users can now publish assessments without errors or time delays.

Kentucky Special Ed IEP Updates (SIS-172117)

Users can now modify the Start and End Date fields on the Education Plan editor without the user having to enter an Amendment Start Date on the Review Amendments side panel. An issue with the Meeting Date has also been fixed with this update.

Please share this information with individuals in your district or office as appropriate.

Thank you!
