Subject: KSIS Notification: Emergency RX Release of Campus.2339.7 Scheduled for October 18

KSIS Contact,

Please be advised that an emergency Rx release of **Campus.2239.7** is scheduled for **Wednesday, October 18, at 7:00 p.m., (Central)/ 8:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

The emergency update is needed to correct issues with FRAM Eligibility and syncing IEPs to state edition.

FRAM Eligibility Fix (SIS-173485)

If a student had an Eligibility with a direct type code that doesn't match a code in the Campus dictionary, the Eligibility page would not load. This has been corrected.

Special Ed Plan State Edition Syncing Fix (SIS-172866)

An issue where historical Special Ed Plans were not syncing to the state using the Resync State Data tool has been fixed.

Please share this information with individuals in your district or office as appropriate.

Thank you!
