Subject: KSIS Notification: Emergency RX Release of Campus.2539.15 Planned for October 24

KSIS Contact,

Please be advised that an emergency Rx release of **Campus.2539.15** is planned for **Friday, October 24, at 5:00 p.m., (Central)/ 6:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

This emergency update is needed to correct issues with Preschool Enrollment Count and the SSN Removal tool.

Kentucky Preschool Enrollment Count Updates (SIS-193732)

Several issues were addressed in the Kentucky Preschool Enrollment Count report. Students were not being counted appropriately in the Y4atRisk, Y4WDisabilityatRisk, and Y4WDisabilityOverIncome columns. Missing columns were added for Y4HeadStartEnhanced and Y2orY3orY4WDisabilityOverIncome.

SSN Removal tool

There is an issue in the pooled server environments that CAN cause the scheduled task to not fire if the process is initiated from particular app servers in the pool. This update corrects that issue.

Please share this information with individuals in your district or office as appropriate.

Thank you!

Lisa Keeter
