District Safe Schools Administrators,  
Good morning, KDE has recently received questions from districts regarding expulsion behavior resolutions and attendance adjustments. In response, we have created guidance document that will provide instruction for data entry of expulsion with and without services; in addition, to instruction for data entry of an expulsion that carry over to another school, district, or calendar year.

The guidance is posted on KDE's Safe Schools Data Collection and Reporting [website](#) and linked in the *Resources* section of the [Behavior Data Standards](#). The direct link to the document is [Expulsion Guidance including Carryover Expulsion](#).

This is a working document, please email [me](#) or [Blake Konny](#) with feedback or questions, thank you!
