**Subject:** KSIS Notification: Hazing Behavior Events

KSIS Points of Contact: The information below was shared with District Safe Schools Administrators earlier today. Please help to ensure that the new behavior events are mapped accordingly. THANKS!

**Subject:** Hazing Behavior Events

District Safe Schools Administrator,  
Infinite Campus release .2327 that was pushed to district production sites on 7/26 contained two new regulated behavior events of V19: Hazing, 1<sup>st</sup> Degree and V20: Hazing, 2<sup>nd</sup> Degree. These options are now available in the *State Event Code (Mapping)* drop list via Behavior | Admin | Event Types. Districts must follow the steps below to ensure new local behavior events are added with this mapping selection for school use starting with the 2023-24 school year.

- Select All Schools in the IC toolbar.
- Navigate to Behavior | Admin | Event Types
- Click New
- Complete fields as shown in screenshot for Hazing 1<sup>st</sup> Degree.

The screenshot shows the 'Behavior Event Type Detail' form. The 'School' is set to 'District Wide' and 'Available In Referral' is checked. The 'Code' is 'V19' and the '\*Name' is 'Hazing 1st Degree'. The '\*Alignment' is 'Demerits', 'Discipline' is '0', and '\*Start Date' is '07/01/2023'. The 'End Date' is empty. The 'Category' is set to 'Hazing 1st Degree' and '\*Classification' is 'None'.

- Repeat above steps to add Hazing, 2<sup>nd</sup> Degree.

The screenshot shows the 'Behavior Event Type Detail' form. The 'School' is set to 'District Wide' and 'Available In Referral' is checked. The 'Code' is 'V20' and the '\*Name' is 'Hazing 2nd Degree'. The '\*Alignment' is 'Demerits', 'Discipline' is '0', and '\*Start Date' is '07/01/2023'. The 'End Date' is empty. The 'Category' is set to 'Hazing 2nd Degree' and '\*Classification' is 'None'.

Use of these behavior events will prompt a record on the Safe Schools report within the Assault or Violence category.

Section F of the [Behavior Data Standards](#) have been updated to provide definitions of these new behavior events.

Please let me know if you have any questions or concerns, thank you!
