Subject: KSIS Notification: Infinite Campus Integration with Google Drive

KSIS Contacts,

Infinite Campus notified districts directly of a change that Google is making to enhance security and ensure reliable file management beginning February 2026. The RX referenced in that communication was included in the Jan. 14, Kentucky release. We do not expect any issues with the Infinite Campus Integration with Google Drive. However, if you run into issues, submit a Campus ticket and let us know.
