Subject: KSIS Notification: Infinite Campus Invoicing

FYI - the message below was shared with superintendents in the May 7, [Commissioner's Weekly Message](#).

Infinite Campus Invoicing

Infinite Campus began sending 2026-2027 invoices to districts on May 1. Please review your invoice carefully to confirm that Campus Learning (CL) and/or Online Registration (OLR) are listed if you intend to continue using these tools.

The Kentucky Department of Education 's (KDE's) additional budget request was not approved by the legislature so districts must pay to keep using for the 2026–2027 school year. If CL or OLR are not shown on your invoice, you will need a new contract to continue use. To add services, contact [Kent Willette by email](#). Districts with contracts signed last year were billed unless the district requested cancellation by April 15.

If your district does not wish to continue using CL and/or OLR, the deadline to request cancellation and avoid charges for the 2026–2027 school year is June 1. If these tools are not on your district's invoice, no further action is required. If they do appear, submit a ticket to Campus support to cancel your contract(s) by June 1 to avoid charges.

If you choose to cancel Campus Learning, the Google grade pass back function will not be available for 2026-2027.

Infinite Campus invoices are issued early so districts can choose to pay with funds from the current or upcoming year. Payments are due no later than Aug. 15. To avoid late fees; please ensure approval at board meetings is completed timely to meet this deadline.
