OUTAGE RESOLVED Intermittent Outages Wednesday Morning

Published on August 26, 2026 at 6:08 AM CDT by Jacob Postuma

UPDATE 7:30 AM CDT: We have resolved the issue causing outages and intermittent connectivity issues for some Campus sites this morning, and are actively monitoring the resolution to ensure it holds.

If your Campus site is still experiencing connectivity issues, please contact Support or update your existing Support case.

We greatly appreciate your patience and understanding while we worked quickly to investigate these outages and bring sites back online this morning.

We are aware that some Campus sites are experiencing outages or intermittent connectivity issues this morning and are actively investigating the issue.

If your site is experiencing an outage or intermittent connectivity issue, please submit a Support case, but it is not necessary to follow up by phone.

We greatly appreciate your patience while we work diligently to address these outages.
