SSUE ALERT: Preschool Enrollment Count

An issue has been reported and confirmed with Infinite Campus Support for the Preschool Enrollment Count report with the Campus.2539.8 release.

The Preschool Enrollment Count is found under Reporting (Reporting>KY State Reporting>Preschool Enrollment Count). When generating the detail or summary 'Report Type,' grade 99 students are not being included.

Infinite Campus development will be addressing this issue in an Rx, and we will work with KDE to schedule deployment upon availability.
