Subject: Infinite Campus Report Error

Good afternoon,

Some locations are experiencing issues with the KTS Attendance report and are receiving error messages. I have reported the issue to Infinite Campus.

You should still be able to use the KTS Attendance by School report.

If neither report works for you, please let me know.

Please forward this information to your high school attendance clerk. If their district KSIS wishes to file a campus support case please ask them to reference case number 1987948.
