Subject: QA Courses Report Attendance and Type Check Now Updated

Dear Course Codes Contacts,

The [QA Courses Report](#) (KY State Reporting/KDE Reports/QA Course) has now been updated to exclude the attendance and type check from state course codes 909995 Roster Only Non-Instructional/Teacher Planning Period. The check has also been excluded from all placeholder state course codes: 950001 Dual Credit Placeholder, 960001 Digital Learning Placeholder and 800500 Residential STEM Academy. When interpreting this error, please keep in mind that only instructional courses should receive funding so if the error is flagging on a non-instructional course, please ignore the error and reach out to let us know so that we can further refine the report.

Thank you for running the QA Courses Report to ensure proper set up of instructional courses. Please feel free to reach out to coursecodes@education.ky.gov for assistance regarding any questions you may have.

Sincerely,

KDE Course Codes Team
