Subject: KSIS Notification: Release of Campus.2643 Scheduled for November 11

KSIS Contact,

Please be advised that KDE has confirmed the release of **Campus.2643** to start **Wednesday, November 11, at 7:00 p.m., (Central)/ 8:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

See the Kentucky release notes for state specific items and Campus.2643 for the full manifest of changes.
Please share this information with individuals in your district or office as appropriate.

Infinite Campus Release Highlights – Campus.2643
Kentucky Specific

Item	Description
Attendance	Multiple bugs have been addressed: • Kentucky - Student Profile Attendance Report is correctly summing same-day absences in a primary and secondary enrollment Kentucky - The Tardy code is now properly aligned on the Attendance Profile Report
Custom Forms	The previous custom form, Program Services Plan (PSP) for English Learners, was deactivated and replaced with an updated form: 2025-2026 Previous Program Services Plan for English Learners.
ILPA	The ILPA school list was updated for the 2026-2027 school year.
Preschool	Several updates were made to the Kentucky Pre-School tool. • The Home Visit checkbox is now Family Visit. • The Home Visit 1 field is now Family Visit 1. • The Home Visit 2 field is now Family Visit 2. • Two new fields, Family Visit 1 Location and Family Visit 2 Location. These new fields are available in Ad hoc. Last Modified Date and Last Modified By information is now also captured for Pre-School records.
Reporting	The SAT Score data element on the KEES Report was updated to report the highest composite score.
Scheduling	The Dual Credit field was removed from the Kentucky Walk-In Scheduler tool. See Section B of the Dual Credit Course Data Standard for information on using Section Student Detail to indicate dual credit students in a mixed course.
Special Education	An issue was fixed in which the information icon on the Enrollment Information editor on the Kentucky Individual Education Plan was not displaying correctly.

Core Product

Item	Description
Attendance	Multiple bugs have been addressed: • Cross-Site attendance is now being sent to the serving school on the last day School/calendar name is now appearing on the ADA/ADM Report - CSV
Enrollment	The Enrollment Cleanup Wizard has been enhanced to allow school staff to update enrollment end dates, end actions, and statuses directly, rather than requiring technician assistance. This change improves the ability for districts to manage their own enrollment data.
Forms/Documents	Custom Forms can be configured to allow guardians and students to initiate the form process in the Portal. This includes new settings in the Custom Forms Setup tool. Form statuses were

Item	Description
	also updated to clarify those requiring intervention. See the Forms article for the new statuses and status groupings. In addition, a new Student Form Center tool was added as a centralized dashboard for forms. This tool allows form administrators to easily find forms that require intervention, including those initiated from the Portal. Also, with this update, all custom form tools were moved to a new folder location in the UI: Student Information | Custom Forms and Custom Modules. This includes the Custom Form Batch Setup, Custom Form Setup, Custom Module Setup, and Student Form Center tools.
FRAM	The USDA Eligibility Manual for School Meals does not permit the Free Income Guide to be included in descriptive materials distributed to households. As a result, the Include Free Eligibility Income Chart option has been removed. If the Include Free Eligibility Income Chart checkbox was previously selected, resave the FRAM > Setup > FRAM Communication > Online Application Content > Letter to Household to remove the chart from the letter displayed in Campus Parent.
Messenger	Added new in-page alerts for required fields in Messenger 2.0 to improve accessibility.
Messenger	The Cancel Message button has been moved out of the View Details side panel and will now display under the Actions column on the In Progress tab of the Message Activity card. This change allows users to easily find and cancel messages that were sent in error.
Messenger	A label has been added to emergency messages in the Scheduled, In Progress, and Sent tabs of the Message Activity card in Messenger 2.0. Emergency messages will be displayed at the top of the grid in each tab.
Scheduling	When updating a Section Template Group in Course Planner, the associated Terms, Schedules, and Periods fields now update automatically to reflect the selected template.
State Edition Enrollments	An update has been made for State Edition users that allows them to filter the display of a selected student's Enrollments to: • All Enrollments (enrollments entered as part of the district's standard enrollment process, plus enrollments manually entered to capture historical non-standard enrollments) • General Enrollments (ONLY enrollments entered as part of a district's standard enrollment process) • Enrollment History enrollments (ONLY manually entered enrollments that capture historical enrollments not part of a district's normal enrollment process, indicated by the word "history") Additionally, State Edition users will be able to print the Enrollment History Report by District or State grade level code, including or excluding enrollment history.
