Subject: KSIS Notification: Release of Campus.2407 Scheduled for March 13

KSIS Contact,

Please be advised that KDE has confirmed the release of **Campus.2407** to start **Wednesday, March 13, at 7:00 p.m., (Central)/ 8:00 p.m. (Eastern)**. Infinite Campus will be temporarily unavailable during the update process. Please contact Lisa Keeter or DeDe Conner if you have any questions or concerns about the update schedule.

See the [Kentucky release notes](#) for state specific items and [Campus.2407](#) for the full manifest of changes.

Please share this information with individuals in your district or office as appropriate.

Thank you!

Infinite Campus Release Highlights – Campus.2407

Kentucky Specific

Item	Description
Student Information	CIP code 15.1307.00 Additive Manufacturing has been added.
Home Primary Language	Ganda and Kachin have been added for selection in the Home Primary Language dropdown list.

Item	Description
Special Education	An issue where the type of service that displayed on the printed Individual Education Plan and Private School Service Plan always displayed as Special Education service, regardless of the Service type selected on the editor has been fixed to display the correct service type selected.
Special Education	Logic has been added to all the Kentucky Special Ed Documents that the Enrollment Information editor must be Refreshed in order to mark the editor as Complete.

Core Product

Item	Description
Assessment	There was an issue with new assessments configured for Proficiency EL in the Assessment Center not displaying on a student's English Learners (EL) Assessments page. This has been corrected. Logic for the 'Use Proficiency Statuses' option under Test Detail in the Assessment Center has been updated.
Behavior	An issue where the Behavior Event Report was not counting events correctly when grouping the report by students has been fixed.
Calendar	An error related to missing room IDs was returned when rolling calendars forward has been corrected.
Campus Learning	A new Curriculum Library has been released for Campus Learning customers. Using the Library, teachers can • Share folders of curriculum. • Easily add curriculum created by other teachers to their sections using the Curriculum Copier. A new tab in Assignments and Resources called Reflections has been added. Reflections allow teachers to record how a piece of curriculum performed in their class via a short survey. Over time, as teachers can build up a record of how effective curriculum is and how well it works in their classes.
Census	Issues with students' age miscalculating in New Look has been corrected, as well as issues when searching for an address . Issues with the Summary tool not loading properly have also been fixed.
Custom	Campus Community was removed as a Classic look Menu Placement option with Custom Tool Setup .
FRAM	Corrections have been made within Eligibility , FRAM Communication , and Letter to Household .
Grades	As a result of feedback received about the recent redesign of the Grades tool, additional updates and improvements have been made. New tool rights have also been added to more closely control which users can see which types of GPAs. Rights have been added for GPA, with subrights for Term GPA, Rolling Cumulative GPA, and Cumulative/Custom GPA, with an additional subright for Class Rank. Only the R(read) level of rights apply for these new tool rights.
Health	Updates have been made to the Immunization Compliance Summary , Immunization Batch , and Immunizations reports.
Messenger	Messenger 2.0 tool rights has consolidated tool right options.
One Roster	An option has been added to the Connection Configuration options for OneRoster. Data logic has been updated for the implementation of OneRoster 1.2 and OneRoster 1.1.

Item	Description
	A new Accept Incoming Score Comments option has been added to the Connection Configuration section of OneRoster connections that use OneRoster 1.2 The Omit Legal name checkbox in OneRoster connection settings has been renamed to 'Include Legal Name' and now defaults to marked.
Online Payments	The minimum amount for purchases set up within the Payments Setup has been reduced to \$0.01.
Program Participation	The user interface and print summary related to Foster Care and Homeless have been updated.
Scheduling	Errors were occurring in the Blended Learning Group and in the Walk-In Scheduler . These have been corrected.
