Introduction

Purpose: Describe the course setup, grading and attendance instructions for high school students dual enrolled in the Craft Academy or Gatton Academy residential programs.

Introduction

Students enrolled in virtual or performance-based courses in Kentucky must have the proper course setup, grading and attendance procedures to receive credit on the SAAR report, the primary method by which school funding is calculated. One of the most common performance-based instructional classes are for students enrolled in the dual-credit residential high schools for academically exceptional Kentucky students. These schools are The Gatton Academy of Mathematics and Science in Kentucky operated by Western Kentucky University and The Craft Academy for Excellence in Science and Mathematics.

This document will provide an explanation of how to create Craft Academy and/or Gatton Academy course(s) in your district's school, setup the correct grading tasks, schedule a student, post grades for the report card and transcript and then verify the attendance on the SAAR report. Please note that districts can customize their setup for the academies. For example, individual courses can be created for each college course in which the student is enrolled. The instructions in this document are intended to provide basic setup instructions.

NOTE: Attendance will not appear on the ADA/ADM and the Register attendance reports. It will appear on record V of the SAAR once the passing grade on the final term has been posted.

Enrollments

Craft and Gatton Academy students should have a primary enrollment at their home high school. They will not physically attend the home high school and will not have attendance data. These students are often incorrectly marked as No Show. The Craft Academy uses Infinite Campus, but Gatton Academy does not. Craft will create secondary enrollments and initiate student records transfer requests from the home high school. Do not end date a student's enrollment when you receive a records request from Craft Academy.

The screenshot shows the 'General Enrollment Information' form. Key fields are highlighted with red circles: 'Service Type' is set to 'P: Primary', 'State Exclude' is checked, and 'KEES Override' is set to a value. Other visible fields include 'Grade' (12), 'Class Rank Exclude', 'External LMS Exclude', 'Start Date' (08/16/2017), 'End Date', 'End Action', 'End Status', 'Dropout Reasons', 'End Comments', 'Next Calendar', 'Next Schedule Structure', 'Next Grade', 'Migrant', 'Immigrant', 'Out Of State', 'Program 504', 'Homeless', 'Living Status', 'Unaccompanied Youth', 'Foreign Exchange', 'Dropout Questionnaire', 'Resident District', 'School of Accountability', 'District of Accountability', and 'Underage Waiver'.

Service Type: P: Primary

State Exclude: This should be unchecked.

KEES Override: This should be determined the same as all other students.

Score Groups & Rubrics

Tool Search: Score & Rubrics

Any score in the school/district grading scale that has the passing score checkbox marked can be used to indicate the classes were passed. A separate grading scale can be created for pass/fail but is not required.

The image shows two screenshots of a software interface. The top one is titled "Score Group Detail" and has a field for "*Name" with the value "Pass/Fail". The bottom one is titled "Score Group List Items Detail" and shows a table with columns: Del Name, Score, Credit Coeff., Min Percent, GPA Value, Unweighted GPA Value, Bonus Points, Sequence, and Passing Score. There are two rows: "Fail" with a checkbox that is unchecked, and "Pass" with a checkbox that is checked. An "Add ScoreListItem" button is at the bottom.

Del Name	Score	Credit Coeff.	Min Percent	GPA Value	Unweighted GPA Value	Bonus Points	Sequence	Passing Score
Fail	F	0	0			0	0	<input type="checkbox"/>
Pass	P	1	0			0	0	<input checked="" type="checkbox"/>

Course Setup

Tool Search: Add Course

A course named after the academy should be created. If you have students in both academies, you may setup a course for each or one course with sections for each academy. If your district uses a course catalog, define the course master(s) then add the course(s). The course should be setup as a performance-based class.

The image shows a screenshot of a "Course Setup" form for "800500 Craft or Gatton Academy". The form has tabs for "Course", "Sections", "Grading Tasks", "Standards", "Categories", "Grade Calc. Options", "Course Rules", and "Fees". Below the tabs are buttons for "Save", "Delete", and "Push To Sections". The "Course Information" section includes fields for CourseID (800500), *Name (Craft or Gatton Academy), Subject Type, State Code (800500), Department, Schedule Load Priority, Max Students, GPA Weight (0), Bonus Points, Type (P: Performance), Difficulty Level (DC: Dual Credit), Homeroom, Allow student requests, Allow teacher requests/recommendations, Instructional Time (0), Teaching Method (12: Dual Credit - College Offered), and Instructional Setting (03: Offsite College). The "Course Master Linked" section has checkboxes for Standards-based, Active, External LMS Exclude, and Course-Only Curriculum. The "Terms Schedules Periods Sections to Build" section has values 2, 1, 1, and 2 respectively. The "Section Template Group" is set to "Responsive". The "Activity" dropdown is set to "Activity". The "Hide Standards On Portal/Campus Student" checkbox is checked. The "Repeatable", "Attendance", and "Unit Attendance" checkboxes are unchecked.

State Code: Select 800500 – Residential STEM Academy.

Transcript: This should be unchecked. Transcript entries will be manually entered for the actual courses or may be transferred from Craft Academy.

Type: Select 'P: Performance' from the dropdown list.

Teaching Method: Select 'Dual Credit – College Offered' from the dropdown list.

Instructional Setting: Select 'Offsite College' from the dropdown list.

Attendance: This should be unchecked.

Create a Section

If you have students in both academies, create a section for each academy.

Section Editor
SectionID

Posting Final Grade

A score must be posted for the year-end grade (e.g., Final Grade) for a performance-based course.

1. Locate the Gatton Academy course under the Search tab
2. Select the course section
3. Select the Grading by Task tab
4. Select the Final Grade grading task
5. For each student, choose Pass or Fail based on their performance in the Academy course.

Note: Individual course grades from the Academy will be manually entered on the transcript or imported from Craft Academy.

6. Click Save.

Transcript Course Grades and Credits

Individual entries for each course must be manually posted to the transcript for Gatton Academy students. For Craft Academy students, you may use the National Records Exchange to import the transcript entries directly from Craft Academy. After importing, you must manually set the Difficulty Level to DC: Dual Credit for each entry and verify State Course code.

1. From the Craft or Gatton course section, select the Roster tab or find the student under the Search tab
2. Select a student
3. Select the Transcript tab
4. Click New to create a new entry
5. Complete the necessary fields for the transcript
 - a. **School Year:** Defaults to selected calendar, change if needed
 - b. **Grade:** Change if needed
 - c. **District No.:** If using Gatton Academy for school name, delete number
If using Craft Academy for school name, enter 610
 - d. **School No.:** If using Gatton Academy for school name, delete number
If using Craft Academy for school name, enter 300
 - e. **School Name:** Change to the academy's name
 - f. **Course Number:** Type the university course number
 - g. **Course Name:** The first nine characters must be the course abbreviation from the postsecondary institution. Each participating postsecondary institution defines the course short name and number. Please refer to each institution's undergraduate catalog when naming a dual credit course.
 - Characters 1-4 should be content area abbreviation, for example: "BIOL" for four letter course abbreviations, or "ART " for three letter course abbreviations.
 - Character 5 should be a space.
 - Characters 6-9 should be the course number: "110 " for a three digit course number.
 - Any additional text may be added to the name after the College or University's abbreviation.
 - NCAA has requested that the **first 9-digits must be followed by the College or University's abbreviation**. For example: "BIOL 113 WKU". Do not include any part of the school abbreviation in the first 9-digits of the name.
 - h. **State Code:** The state course code that most closely aligns to the content of the course. The placeholder course number 800500 should not be used on the transcript. See [Dual Credit Course Data Standards](#) for more information.
 - i. **Difficulty Level:** Select DC: Dual Credit
 - j. **Score:** Select the score from the listing of all district score groups. The score choice will populate the GPA Value, Unweighted GPA Value, GPA Max and Bonus Points if defined in the score group.

Note: *Using a weighted GPA score is a district decision.*
 - k. **GPA Weight:** Enter the number of credits attempted or 0 if using a Pass/Fail grading scale to meet KEES requirements for GPA calculation.
 - l. **Instructional Setting:** 03: Offsite College

- m. **Transcript Credit:** Follow district policy for dual credit courses. Earned, Attempted and Credit Name must be completed.

The screenshot shows the 'Transcript Course Editor' form. Red circles highlight the following fields:

- Course Number:** BIOC113
- Course Name:** BIOC 113 WGLU
- State Code:** 800041
- Difficulty Level:** DC: Dual Credit
- Score:** A/95 (5.0000/4.0000)
- Instructional Setting:** 03: Offsite College
- GPA Weight:** 1
- GPA Value:** 5.0000
- Unweighted GPA Value:** 4.0000
- Percent:** 95
- GPA Max:** 5.0000
- Bonus Points:** (empty)
- Transcript Credit:** Earned: 1, Attempted: 1, Credit Name: -SCIENCE, Credit Rollup Overflow Override: -ELECTIVES

- 6. Click Save or Save & Add Another if you have additional courses to add.

Verify Setup Using SAAR Report

Superintendent's Annual Attendance Report (SAAR)

Superintendent's Annual Attendance Report (SAAR) Enrollment Report
 The SAAR provides a summary of each district's attendance data for the entire school year. The Summary report types provide aggregate data suitable for state submission. The Detail report types provide student-level data for verification, analysis and reference.
