

SRC Communication #12 – 10/5/2026– Superintendents, Principals, DAC, and SRC contacts

School Report Card – Reminder Embargo and Public Release

Next week the School Report Card (SRC) Dashboard Embargo Period begins and data will be released publicly later the same week. SRC users in the school or district accountability data user groups will have access to see statewide results, their own schools, and other districts and schools before the media can access. During the embargo period, district and school staff may discuss the data internally; however, the **data cannot be shared in public meetings or by the media until public release**. Specific dates/times are provided below.

- Oct. 13 (Tuesday) at 8 a.m. ET, the district embargo period will open to district and school SRC accountability data user groups. The same user id and password used to access the portal will be used to access the [SRC Public Test site](#).
- Oct. 13 at 1 p.m. ET, the media embargo will begin.
- Oct. 15 (Thursday) at 12:01 a.m. the embargo is lifted, news reporting can begin and SRC datasets are available on the Open House site.
- Oct. 15 by 8 a.m. ET, the 2025-2026 School Report Card Dashboard will be open to the public.

Please reference the [School/District Requirements for Sharing SRC and School Profile Reports document](#) and the [Instructions for Accessing School Report Card Secure Site](#) if there are questions on next steps. Both resources and prior communications are available on the [SRC Resources webpage](#).

As a reminder, it is important to ensure the link and current SRC data is available on school and district websites immediately after public release.
