School Report Card Update No. 13: SRC Reminders

The initial public release of the School Report Card Dashboard will be Oct. 15. This initial release will not include the assessment and accountability data. The Preview and Approval tools remain open so that districts can continue to see data before public release. The Collection tool is now closed. School Profile Reports can continue to be printed from the Overview landing page in the Preview Tool. The SRC Portal URL is included in the [SRC Annual tasks](#) documentation at the top of page 1.

Districts will be able to see the SRC Dashboard in the public test site beginning Oct. 13. The Collection tool will reopen after public release to allow districts to enter or update data as needed. The [SRC Resources webpage](#) serves as the central repository for communications and resources. The SRC timeline, resources and all SRC communications are posted to this webpage.
