School Report Card Update No. 14: SRC Dashboard Public Test

Districts have access to a preview of the School Report Card (SRC) Dashboard, including datasets, in the [public SRC test site](#) beginning today, Oct. 13, for final review prior to public release. The public test site will close on Wednesday, Oct 15. Contacts below should be alerted if any issues are found.

The SRC Dashboard will open to the public at noon ET on Monday, Oct. 20. This release does not include assessment and accountability data. That data will be released in Nov.

The public School Report Card will not be available from Oct. 18-19 to prepare for 2024-2025 public release. The Collection tool will reopen Oct. 21, after public release, to allow districts to enter or update data as needed.

The [SRC Resources webpage](#) continues to serve as the central repository for communications and resources. The SRC timeline, resources and all SRC communications are posted to this webpage.
