Distributed: Oct. 30, 2023, Superintendent Monday Message

School Report Card District Embargo Review Period Begins Today

The early release (embargo) period for the School Report Card (SRC) began Monday, Oct. 30, for districts at 8 a.m. ET and for media at noon ET.

This release provides an opportunity for districts to see final School Report Cards and access the research datasets before the media and the public. SRC and DAC contacts were asked to share the log-in instructions, press release, media packet and details on embargo requirements with superintendents and school and district leaders *with the understanding that this is an embargo period.*

All data is embargoed until Oct. 31 at 9:59 p.m. ET. However, it may be discussed with media after 1 p.m. ET Monday, Oct. 30, if questions are asked during this period to prepare for a local press release.

Public release is scheduled for Tuesday, Oct. 31. The press release and media packet will be shared with the media just prior to their embargo. The School Report Card will be open to the public on Tuesday, Oct. 31, beginning at 10 p.m. ET.
