

KENTUCKY'S INDIVIDUAL LEARNING PLAN (ILP)

DISTRICT ASSURANCES

District representative completes this each year, committing that all ILP requirements are being met by each school in the district, as noted on the self-implementation rubric.

DISTRICT EVALUATION

District completes routine evaluation of its ILP process and application using the rubric provided by the Kentucky Department of Education. The district utilizes the rubric to make adjustments as needed.

DIGITAL READINESS SURVEY

The ILP joins the annual statewide digital readiness collection. The information collected will help inform current and future ILP strategies and is submitted by each district's Education Technology Leader (CIO/DTC). Collected information will be shared through the statewide Digital Readiness Reporting tool.
