

STOP SEXUAL EXTORTION!

It's never too late to say **NO.**

Sexual extortion or “sextortion” is a crime that happens when someone pressures you to do something uncomfortable or inappropriate, like asking for pictures or videos of your body.

It can also be when someone threatens to share pictures or videos of you that you don't want shared unless you do something that you don't want to do or send money.

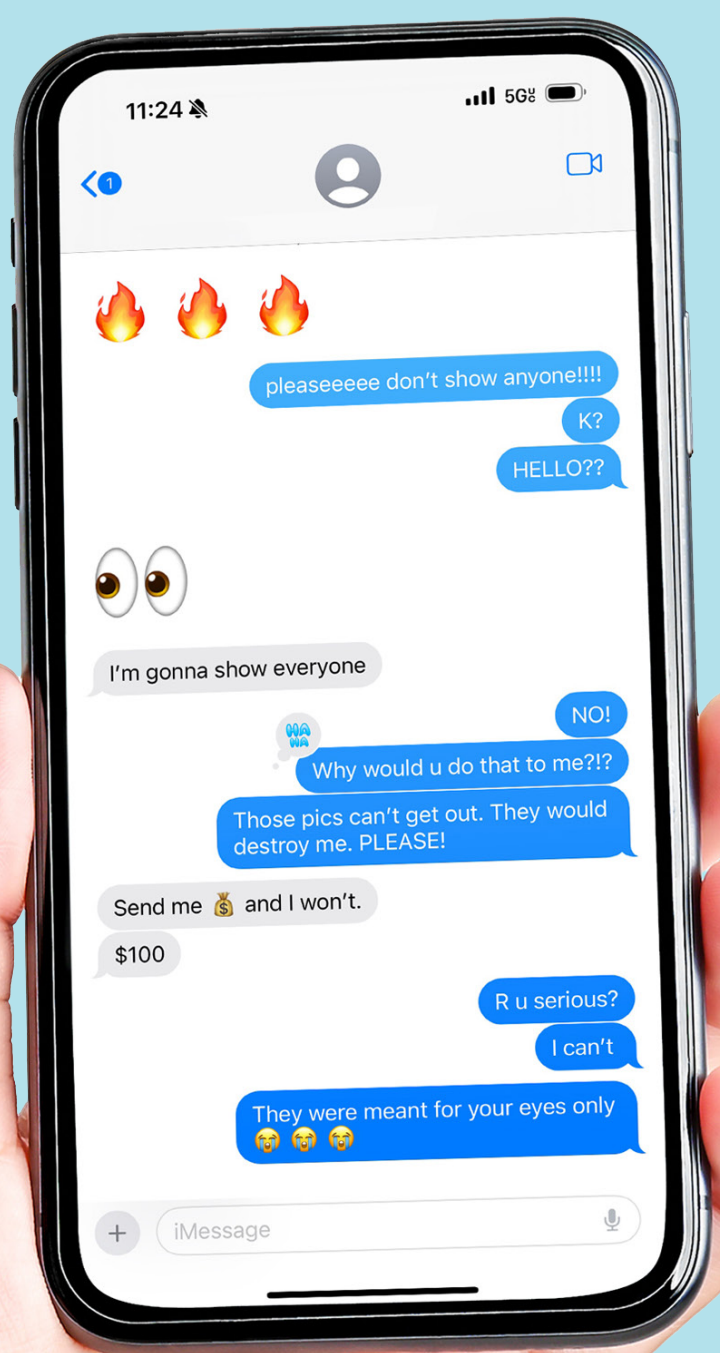

If you or a friend have experienced sexual extortion, reach out:
